I started working at L.I.F.E in 2018. I began my career in private practice. I provided therapy for clients between the ages of 3 and 30 years old in clinic and at home.

Personal Treatment Philosophy:

I believe that speech therapy should be fun and functional. I strive to make therapy sessions engaging, motivating, and client centered.

Personal:

In my free time I enjoy going for walks with my husband and my dog, exploring new coffee shops, and reading.
