

Academy: Tuition & Funding

At L.I.F.E. we strive to offer affordable services to families in their effort to provide the very best for their child. While our private academy tuition is \$37,500 annually, most of our students receive scholarships to fund their child's tuition.

Below are potential funding and scholarship opportunities:

School Tuition Organizations (STOs) through Arizona's Private School Tax Credit Program

If you will be relying on the Tax credit program for your 2019-2020 funding, you need to be diligent and aggressive with applying for the scholarship and doing so within their deadlines. We urge you to complete applications through multiple School Tuition Organizations to help secure your success in obtaining an award.
