Career History:

Prior to working at L.I.F.E, I spent 6 years with Gilbert Public Schools in the SPICE I Program for children with Autism. I began working at L.I.F.E in February 2014 as a paraprofessional in the kindergarten class. During the 2014-2015 school year I worked as a Lead Paraprofessional in the 1-3 grade classroom, then I was promoted to Lead Teacher in the fall of 2015.

Personal Teaching Philosophy:

*“Every student can learn, just not on the same day or in the same way”
- George Evans*

We all have our own unique way in which we process, comprehend and retain information. Discovering each child’s learning style helps us customize learning plans and implement strategies that best suit the child’s needs.

Personal:

I was born and raised in Ogden, Utah. A new job brought the family to Arizona in 1996. I have 4 children, 2 girls, 2 boys. In my spare time I like to do fun things with my kids like going to movies, bowling, Top Golf, movie and game nights at home. I also enjoy scrapbooking, making various crafts and planning fun activities for the classroom.
