Career History:

I started working at L.I.F.E. in July 2016. Previously, I worked for five years at a charter school for the deaf and hard of hearing in AZ and for one year in home health.

Personal:

I grew up in New Jersey and moved to Arizona in 2005 to pursue a degree at Arizona State University. I have always had a passion for working with children and developed an interest for those with special needs which brought me to L.I.F.E. In my free time, I enjoy hiking, swimming, dancing, crafting, and spending quality time with my family.
