Career History:

I started working at L.I.F.E. in October 2017. Previously, I worked at a private pediatric clinic and in home-health. I have worked with kids with disabilities ages 3-18 years as well as with adults with disabilities.

Personal Treatment Philosophy:

I aspire to be a therapist who treats the whole child, while using client and family centered care. I also love to use my resources at L.I.F.E. to gain transdisciplinary experience and give our clients the tools they need for their individual and unique future.

Personal:

In my free time I enjoy working out, trying new restaurants, watching movies, and spending time with my husband and my dog Boomer.
