Career History:

I began my career working at St Joseph's Hospital and Medical Center (SJHMC) in acute care, evaluating and treating patients with severe neurologic conditions: cerebral vascular accidents, traumatic brain injury, spinal cord injury. I continue to work at SJHMC but wanted to expand my knowledge and passion for working with pediatric clients. I began working at L.I.F.E. in the fall of 2015, part time. I enjoy watching my client's grow while they learn new life skills.

Personal:

I was born and raised in Minnesota. I moved to Arizona following graduating OT school in 2014 and quickly fell in love. In my spare time I enjoy, hiking, traveling, crafting, baking, and spending time with my dog, Zoey, family and friends.
