Jamie Bezdany, Lead Teacher

jamie.bezdany@laurensaz.org

Career History:

I have been in the education field for 13 years. I started working right out of high school with individuals with disabilities serving in a self-contained classroom. This will be my 5th year here at L.I.F.E. I was initially hired on as a lead paraprofessional and now I am starting my first-year as Lead Teacher for the 2019-2020 school year.

Personal Teaching Philosophy:

*"If a child can't learn the way we teach, maybe we should teach the way they learn."
- Ignacio Estrada*

I love this quote as it represents my teaching philosophy. Both teaching and education are not one size fits all.

Personal:

I was born and raised in New York and moved to Arizona when I was 13. When not at work I enjoy spending my time with my parents and friends. I enjoy traveling and going on adventures.
