Jamie Bezdany, Lead Teacher

jamie.bezdany@laurensaz.org

Career History:

I have been in Education for 14 years. I started working right out of High School when I worked in a self-contained classroom. This will be my 6th year here at L.I.F.E. I was hired on as a Lead Paraprofessional. This is my second year as a Lead Teacher.

Personal Teaching Philosophy:

"If a child can't learn the way we teach, maybe we should teach the way they learn".

-Ignacio Estrada

I love this quote as it represents my teaching philosophy. Both teaching and education are not one size fits all.

Personal:

I was born and raised in New York and moved to Arizona when I was 13. When not at work I enjoy spending my time with my parents and friends. I enjoy traveling and going on adventures.
