Daniel Kleinman, Lead Teacher

daniel.kleinman@laurensaz.org

Career History:

I started working at L.I.F.E. in 2017. I have been a behavior technician in the Behavioral Programming and Support department and I have served in the classroom as a paraprofessional and Lead Paraprofessional. I am now entering my 2nd year as a Lead Teacher.

Personal Teaching Philosophy:

In my life I have realized that the little things are what matter most in life, applying this to the classroom is what I will try to achieve daily. I will strive to teach my students the small little steps across all opportunities of learning while accomplishing the big goals. The joy I find in teaching is supporting the students to learn and the joy we share when they do learn new things.

Personal:

I was born and raised here in Arizona and have lived here my whole life. I enjoy hiking the beautiful mountains of Arizona and camping. I love going to Arizona State University football games and watching football in my spare time.
