## *Lauren Lannigan, Lead Teacher*

---

**lauren.lannigan@laurensaz.org**

### **Career History:**

This is my second-year teaching. My first year of teaching was in Wisconsin where I taught middle school students Family and Consumer Education and Social Emotional Learning. For the past two years I have also worked as a Registered Behavioral Technician (RBT) at a behavioral clinic. During my third year of college I took a job working as an RBT and found my calling. I was drawn to the principles of Applied Behavior Analysis (ABA) and the profound impact it had on the children I worked with.

### **Education and Special Certifications:**

- B.A. in Psychology and Applied Behavior Analysis, University of Wisconsin Eau Claire
- Pursuing my M.Ed. in Special Education and Applied Behavior Analysis, Arizona State University

### **Personal Teaching Philosophy:**

When I became a teacher, I took the philosophies I learned in ABA and brought them to my classroom. By joining the two worlds it has allowed me to understand the needs and behaviors of my students on a deeper level. This allows me to develop a teaching strategy for each student's individual needs. I am excited to be a part of the L.I.F.E. family where I can continue to provide therapy in my classroom.

### **Personal:**

I grew up in central Wisconsin. If I am not working, I am outside running, hiking or reading a book. I have a strong passion for long distance running, especially marathons. I also enjoy drawing.
